- Transportation

November 2020

Lambs Families,

Fall is in full swing now! The month of October brought many changes with it, which our Lambs enjoyed learning about. They painted beautiful leaves, pumpkins, farm animals and tractors all using their feet and toes! Their favorite activity was exploring our new fall sensory bottles and bags. Our babies also enjoyed reading our books about Fall and Farm Animals. Popular ones were "Touch & Feel Fall" and "Old MacDonald's Farm".

This November the learning themes will be "Community Helpers" and "Transportation". We will learn songs and rhymes together such as Teacher, Teacher What do you do? and I'm A Little Airplane. They will also enjoy listening to stories and looking at simple picture books. Lots of fun footprint artwork is also in store, as well as some fun with water and boats!

By now, our students are showing so much growth - not only their physical development, but by recognizing and reacting to the sounds of language. Reading to babies teaches them many important skills. If you need any suggestions for age appropriate books, I would be glad to help! 😊

If you have not already done so, please send in a few family photos that can be made into a collage for our classroom. The photos will be kept and displayed in our room so that the children can enjoy and learn from them.

Thank you

Sincerely,

Ms. Amaya & Lambs Staff

Birthdays:

Ms. Emily 11/9

Ms. Kylie 11/12

Ms. Amelia 11/27

Important Dates:

Monday, Nov. 2nd

Annual Canned Food Drive Begins

Friday, Nov 6th

Pajama Day
