October 2020

Lambs Families,

The month of September saw our little ones having fun with our learning theme of “All About Me”. They enjoyed learning about families, friends, pets and feelings through artwork, stories, and fun activities. Now we welcome October!

This month of October we welcome the season of fall by reading fun fall books, making colorful artwork, and exploring our senses! I will be making new fall related sensory bottles and bags for our little lambs to explore and they will be making some adorable footprint art! The end of the month our learning theme will focus on the sights and sounds of a farm and farm animals. We will have fun with rhymes and songs about animals on the farm and learn animal sounds too.

We are also excited to have our annual “Halloween Party and Trunk or Treat” happening this month. Please be on the lookout for more information regarding these wonderful events.

If you have not already done so, please send in a few family photos that can be made into a collage for our classroom. The photos will be kept and displayed in our room so that the children can enjoy and learn from them.

Thank you

Sincerely,

Ms. Amaya & Lambs Staff
