Welcome to the lazy hazy days of Summer.

Yumi moved to the Rabbit's room, but we still get to see her on the playground! We talked about insects, flowers, frogs, ponds, ducks and farm animals. We had some fun art project and sensory table fun. In June we will continue talking about farm animals, zoo animals and Father's Day.

Here is a song we have been singing:

"Five little speckled frogs"

Five little speckled frogs

sat on a speckled log eating some most delicious bugs,

one jumped into the pool, where it was nice and cool.

Then there were four speckled frogs

Four little speckled frogs

Sat on a speckled log eating some most delicious bugs.

One jumped into the pool where it was nice and cool.

Then there were three speckled frogs

Three little speckled frogs

Sat on a speckled log eating some most delicious bugs

One jumped into the pool where it was nice and cool.

Then there were two speckled frogs

Two little speckled frogs sat on a speckled log

eating some most delicious bugs.

One jumped into the pool where it was nice and cool.

Then there was one speckled frog

One little speckled frog, sat on a speckled log

eating some most delicious bugs

He jumped into pool where it was nice and cool then there were no speckled frogs.

Your child can pretend to jump like frog, this a way to teach 1-5 and to have fun learning a finger play.

Hope to see you at the school picnic on June 21st. Have a safe summer!

Ms. Melanie!
