

The Valley School Class Newsletter

Piglets Classroom

January 2021

Piglets Families,

Welcome to January! Happy New Year, we are ready and excited to see what this new beginning brings. This month's themes are "Animals & Hibernation" and "Winter Weather". We will start the month learning about the animals that take special long naps during the wintertime, called hibernation. We will create a "cave" for the children to crawl into and pretend to hibernate! We will also enjoy looking at photo cards of some special animals that live outside in the snow! Some of our activities will include making paper plate polar bears and marshmallow snowmen! The children will have fun with "Wet & Messy" snow themed activities too!

During our "Winter Weather" theme we will focus on the different types of clothing we wear in the winter, such as hats, scarves, gloves, winter coats and boots. Then we will have fun learning about all the different activities we can do in the winter season such as sledding, skiing, building snowmen, making snow angels and ice skating! Winter is so much FUN !!!

Friendly Reminder: Please make sure your child is dressed for the weather. We continue to go outside in the morning, as weather permits. Thank You

Ms. Lynda & Piglets Staff
