November 2020

Piglets Families,

Welcome to November! This month our themes are “Community Helpers” and “Transportation”. The students will be learning about people that work in the community like firefighters, policemen, mailmen and doctors. We will be doing fun activities with the children like making paper puppets, driving toy cars over bubble wrap to create beautiful artwork, and playing games like our “stoplight” bean bag throw!

The students will also make “Choo, Choo Conductor” hats and pretend they are riding in a train. We will also be learning fun new songs together such as “I’m a little airplane” and “Teacher, teacher what do you see?” Word cards and pictures will also be on display in the classroom to show the children how words are used to describe people, places and things.

If you have not already done so, please send in a few family photos that can be made into a collage for our classroom. The photos will be kept and displayed in our room so that the children can enjoy and learn from them.

Friendly Reminder: Please make sure your child is dressed for the weather. We continue to go outside in the morning, as weather permits. Thank You
