Ponies

Pony Families,

We have been so busy in the month of September by getting settled into our daily routine and becoming familiar with the Ponies classroom. As we started our “All About Me” theme, we enjoyed sharing our baby pictures, learning about our similarities and differences, and discussing ways that we feel proud of what we can do! We spent time in our dramatic play “Beauty Shop”, as it was our favorite place in the classroom to play.

Also, we began working on our alphabet letters by writing them, doing projects, and learning about the sounds they make. I would like to thank you for returning your child’s letter activities homework. This will reinforce what we are working on in class.

In October, we will continue with the “All About Me” theme as we focus on the following:

- What are my feelings? (09/28)
- What do parts of my body do? /Fire Safety Week (10/05)
- What is a family? (10/12)

These areas of discussion will end our “All Bout Me” theme. We will begin our new theme during the week of October 19th as we learn about parts of our community. We will end the month with the theme “How a Community Can Help Us.”

We cannot forget about having fun with the Valley School themes this month as we look for signs of fall. We will be tasting different types of apples, playing in our dramatic play pumpkin patch, and having a seasonal celebration.

As always please feel free to reach out to me regarding any questions about our activities in the classroom and the progress of your child.

Thank you.
