

# The Valley School Rabbits Class Newsletter

## October 2020

Rabbits' Families,

We have had a busy and fun September! We met new friends and got to see old ones. We learned about each other and our feelings and got to see the many kinds of pets we all have!

This month of October we have even more fun activities and crafts planned for our students to enjoy. We have two new themes that we will be learning about this month: "On the Farm" and "Fall Changes". The students will have opportunities to pretend to be different farm animal as we sing and play new songs and nursery rhymes together. We will also talk to them about how special the season of Fall is and how nature changes colors. We will explore and gather leaves of all colors such as "green, orange, red and brown" and then create some beautiful artwork together! Some other fun activities & crafts we have planned are "fluffy sheep, matching animals, two special sensory activities of shaving sheep and milking the cow!"

Please join us in welcoming our new Rabbits teacher, Ms. Lorraine and welcoming back Ms. Lizzy! 😊

We cannot wait to share the fun with you on KidsReport!

### Friendly Reminders –

- *Please make sure you child has a complete change of seasonal clothes. Since we do go outside to enjoy the fresh air at least twice a day, weather permitting. You may also like to keep an additional pair of closed toed shoes, in case of any accidents.*

Thank You,  
Ms. Lorraine, Ms. Lizzy and Ms. Brittany
